

Take Your Money, You Earned It

Earn It!

Did you earn less than \$36,348* in 2006? If so, you may qualify for the Earned Income Tax Credit (EITC) when you file your tax return. The credit could give you up to \$4,536.

Keep It!

Free help is available at community tax preparation sites for anyone with an income of \$39,000 or less. Don't pay high or unnecessary fees to commercial tax preparers or take "rapid refund loans."

Save It!

Part of your tax refund can be automatically deposited into two or three bank accounts. You can spend some AND save some for a rainy day. Ask your free tax preparer about both of these opportunities!

*or \$38,348 if you are married
