

INTERESTED IN USING THE SUN TO LOWER YOUR ELECTRICITY BILLS?

If you meet these criteria, you may be eligible to get a discounted solar electric system installed on your home

- You must own and live in a home in East Palo Alto
- Your home must have an unshaded roof facing South or West
- Your household income must be below these income limits:

Household Size	One Person	Two Person	Three Person	Four Person	Five Person	Six Person	Seven Person	Eight Person
Annual Gross Income	\$65,000	\$72,400	\$81,450	\$90,500	\$97,700	\$104,950	\$112,200	\$119,450

This program installs solar electric systems using community volunteers. The installation is free and the equipment is paid for with a low-interest loan from the City of Pleasanton. We are currently taking applications.

If you are an interested homeowner, please call Utuma at GRID Alternatives at (415) 839-8437
